Publisher: www.fanfiction.net

Summary: Eleven is stuck in the upside down, while Mike, Lucas, Dustin, Will, Austin and Ally try to save her. But Ally has some secrets up her sleeve. Lame summary but story will be better, so please check it out

Strangest Things

So I'm writing a story about an Austin and Ally and Stranger Things crossover, cause I'm obsessed with both, and am too lazy to write two stories right now. So this story is based on 2011. They are all 12, even Austin and Ally. This is my first story. I will update in a while. So please check it out :)
